

STAFF REPORT

SUBJECT: Transit Performance Improvement Program (TPI) Authorizing Resolution
FROM: Angela Swanson, Senior Grants & Project Management Specialist
DATE: May 2, 2016

Action Requested

Staff requests the Board approve Resolution #16-2016:

“Resolution of the Board of Directors of the Livermore Amador Valley Transit Authority authorizing the filing of an application for funding assigned to MTC and committing any necessary matching funds and stating assurance to complete the Wheels Individualized Marketing, Student Pass & New Service Promotion Program project.”

Background

The resolution authorizes filing a funding request with the Metropolitan Transportation Commission (MTC) for the Transit Performance Improvement Program (TPI). LAVTA proposes to use the TPI grant funding to implement a multi-pronged marketing program, *The Wheels Individualized Marketing Program*, directed at key subsets of the riding public with the goal of converting non-users to public transit passengers. The program uses direct marketing techniques focused on households in the Santa Rita corridor, students and staff at Las Positas College and households adjacent to the 580X route.

Discussion

The subject funding is assigned to MTC for discretionary regional program from federal sources including the Federal Highways Administration. MTC requires a resolution of support from the Board as part of the funding approval process. This Resolution is very similar to one authorized by the Board of Directors in 2014, and is a standard Authorizing Resolution, with no special terms. The Resolution will be effective for fiscal years 2016 and 2017 from the date of signature. This item was presented to the F&A Committee. The committee recommends Board approval.

Budget

The proposed *Wheels Individualized Marketing Program* is eligible for \$423,798 in TPI funding. No match is required. Funds become available to LAVTA once MTC approves the 2017 TIP, slated for January 2017.

Recommendation

Staff requests approval of Resolution #16-2016 authorizing Staff to submit a request to MTC for the Transit Performance Incentives (TPI) Program in the amount of \$423,798.
