

STAFF REPORT

SUBJECT: 5311 Authorizing Resolution

FROM: Angela Swanson, Senior Grants & Project Management Specialist

DATE: April 26, 2016

Action Requested

Staff requests that the committee forward to the Board of Directors a request to approve the attached Resolution authorizing Staff to submit requests for FTA Section 5311 Funding to the California Department of Transportation (Caltrans).

Background

FTA Section 5311 funds are primarily used to fund operational and accessibility projects at transit agencies. Caltrans, the prime recipient, in turn awards the funding to eligible local transportation agencies. LAVTA's eligibility is an estimated \$38,951 for Fiscal Years 2016 and 2017. The local match is \$31,444. LAVTA uses 5311 funds to offset the costs of operating routes traversing service area segments designated as rural. At present portions of Routes 2, 11, 12 and 20 qualify.

Discussion

The FTA requires a resolution of support from the Board as part of the funding approval process. This Resolution is very similar to one authorized by the Board of Directors in 2014, and is a standard Authorizing Resolution, with no special terms. The Resolution will be effective for fiscal years 2016 and 2017 from the date of signature.
