3. The lettered discs are **Time Points** which list the time a bus will depart at that location. These timepoints are not the only stops on the route.

4. Read across to determine the Time Point nearest to your destination and the time the bus serves that stop.

5. Look down the column to select your departure time. **PM is in bold.** If your bus stop is after this **Time Point**, the bus will arrive a few minutes later.
