

# Art is Science on Wheels

*Vasco Road/West Gate of the Sandia/Lawrence Livermore Labs in Livermore, CA*

“Art is Science on Wheels” was designed by eleven Granada High School art students under the guidance of Art Instructor, Laura Thournir. A dedication ceremony, hosted by the Livermore Amador Valley Transit Authority was held on June 4, 2015. The students were recognized for their artistic abilities and contributions to the collection.
