SUBJECT: Fiscal Year 2016-17 Proposition 1B
California Transit Security Grant Program (CTSGBP) Resolution

FROM: Jennifer Yeamans, Senior Grants, Project Management & Contract Specialist

DATE: May 1, 2017

Action Requested

Approve Resolution 22-2017 accepting \$29,357 in Proposition 1B California Transit Security Grant Program funds for Fiscal Year 2016-17.

Background

Proposition 1B, approved by California voters in November 2006, includes \$1 billion in the Transit System Safety, Security and Disaster Response Account. Sixty-percent of the funding in this account is directed to eligible recipients of State Transit Assistance funds, including public transit operators such as LAVTA. Senate Bill 88 directs funds allocated to the Metropolitan Transportation Commission based on population to be sub-allocated to transit operators within its jurisdiction, in addition to the revenue-based funds available. LAVTA has in past years funded projects such as security cameras and DVRs aboard buses, bus shelter lighting, and security systems at the Livermore Transit Center and Rutan Court facilities.

Discussion

Staff proposes to use the FY 2016-17 funds to add security lighting at transit stops and/or stations at locations to be determined, but generally intended to coordinate with other ongoing bus stop improvement projects to be carried out in the next 12 to 18 months.

As a condition of the receipt of CTSGBP funds, the Board of Directors must authorize the Executive Director to execute for and on behalf of LAVTA, any actions necessary for the purpose of obtaining CTSGBP funds provided by the California Office of Emergency Services (Cal OES). Staff is requesting Board approval in compliance with the program requirements. Projects are subject to final review by Cal OES staff.

Budget Considerations:

The estimated amount allocated for LAVTA in FY 2016-17 is \$29,357. Funding is limited to the capital equipment expenses. Installation is not included.

Recommendation:

Staff recommends the Board of Directors approve the attached Resolution 22-2017.
