It was stated that ridership was up 7.7 % from October of 2017, but in November there is a drop in ridership caused by air quality. Director of Finance Tamara Edwards informed that last weekend Tony McCaulay and Jonathan Steketee assisted with a Food Drive at two Lucky Supermarket locations. They collected 1,500 pounds of food and \$600 in gift cards that went to two local charities. Director of Finance Tamara Edwards informed a report was provided to the Projects and Services Committee meeting yesterday providing a status update on the Shared Autonomous Vehicle (SAV) project and that information will be presented to the Board of Directors. Currently the SAV project has stalled, so there may be some changes coming up with a new partnership. Lastly, the Regional Rail Authority signed an \$8.5 million contract with AECOM for environmental work and 30% design. Director of Finance Tamara Edwards noted that the Rail Authority is looking to hire consultants (Senior Project Manager, Senior Engineer Lead, and an Administrative employee) and will work from LAVTA offices. LAVTA does not have additional offices for these employees, so Executive Director Michael Tree would like to receive approval to convert the Board Room into four temporary offices for one year. Executive Director Michael Tree would move into the Board Room temporarily and his office would be used for Committee meetings and Board of Director meetings would be held at an off-site location.
