

## STAFF REPORT

**SUBJECT:** 2019 Title VI Program

**FROM:** Tony McCaulay, Director of Planning & Marketing  
Ashley Wong, Planning Intern

**DATE:** May 6, 2019

---

### **Action**

The Projects and Services Committee recommends that the Board of Directors approve the attached 2019 Title VI Program for submittal to the Federal Transit Administration (FTA).

### **Background**

Section 601 of the Civil Rights Act of 1964 (Title VI) prohibits discrimination on the grounds of race, color or national origin in the programs that receive federal financial assistance. As a recipient of federal funding, LAVTA ensures transportation equity in the services we provide.

### **Discussion**

Every three years, LAVTA submits its Title VI Program to the Federal Transit Administration (FTA) to demonstrate its compliance with federal regulations. LAVTA's last submittal was in 2016 and the next submittal is due this year. The 2019 Title VI update is relatively minor.

Perhaps most significant is that the Tri-Valley population of residents who speak Tagalog (including Filipino) at home and report that they speak English less than "very well" has passed the Safe Harbor languages threshold of 1,000 persons. As a result, all of our Title VI documents in the Appendices of this year's program have been translated to Tagalog and will be published on our website. Title VI signage on our vehicles will also be revised to include a Tagalog translation.

### *Systemwide Service Standards and Policies*

The 2019 Title VI program (Attachment 1) includes the 2016 Board-adopted service standards and policies, which incorporates policies for Vehicle Load, Vehicle Headway, On-time Performance, and Service Availability. Additionally, the 2019 Title VI program includes the Board-adopted policies on Vehicle Assignment and Bus Stop Amenities. At this time, staff is not recommending that any changes be made to the Service Standards and Policies.

**Recommendation**

The Projects and Services Committee recommends that the Board of Directors approve the attached 2019 Title VI Program for submittal to the FTA.

**TITLE VI ANNUAL CERTIFICATIONS AND ASSURANCES**

In accordance with 49 CFR Section 21.7(a), with every application for financial assistance from the Federal Transit Administration (FTA), the Livermore Amador Valley Transit Authority (LAVTA) submits an assurance that it will carry out the program in compliance with DOT's Title VI regulations. LAVTA also submits its Title VI assurance as part of its annual Certifications and Assurances to the FTA, assuring compliance with laws and regulations so that no person in the United States will be denied the benefits of, or otherwise be subjected to discrimination in any U.S. DOT or FTA funded program or activity, particularly in the level and quality of transportation services and transportation-related benefits, on the basis of race, color, or national origin.

## TITLE VI PROGRAM

### NOTIFY BENEFICIARIES OF PROTECTION UNDER TITLE VI

LAVTA posts a Title VI notice to inform the public that the agency complies with Title VI regulations and to provide information about how Title VI protects the public from discrimination based on race, ethnicity and national origin. This notice is posted on the LAVTA website, in public areas at LAVTA's Administration & Operations Facility on Rutan Court, on all LAVTA's revenue vehicles (in English and Spanish), on LAVTA's paratransit contractor's vehicles (in English and Spanish), and at LAVTA's Livermore Transit Center. It is also printed in the Fares and Policies brochure, which contains information on fares, accessibility, locations where discount tickets and passes are sold, and general riding information, provided for free to the public. The notice is posted in English, Spanish, Chinese, Korean, and Tagalog at LAVTA's Administrative Office and at the Livermore Transit Center. A copy of this Title VI notice in English, Spanish, Chinese, Korean, and Tagalog is provided as Appendix A.

### TITLE VI DISCRIMINATION COMPLAINT PROCEDURES

#### How to Make a Complaint

LAVTA provides instructions on how to find additional information on LAVTA's Title VI Program and how to file a claim of discrimination via our website, [www.wheelsbus.com](http://www.wheelsbus.com). Instructions on how to file a claim of discrimination are available in English, Spanish, Chinese, Korean, and Tagalog on the website. The public is instructed to call or visit the Administrative office for more information. A copy of the instructions is provided as Appendix B.

A complaint form is provided in both English and Spanish and can be downloaded from the website or provided by the Title VI Coordinator. Complaint forms are also available in Chinese, Korean, and Tagalog upon request. Verbal complaints are also accepted and transcribed by the Title VI Coordinator. A copy of the LAVTA Title VI complaint form is provided as Appendix C.

#### Title VI Complaint Procedures

LAVTA has a file established for all Title VI complaints. This file is stored at the LAVTA office located at 1362 Rutan Court, Suite 100, Livermore, CA. All complaints are investigated by LAVTA's third party claims adjuster or legal counsel. A record of the investigation accompanies a copy of the original complaint in the case file. Additionally, any notification of legal action, as well as the results of any legal action, will be filed with the original complaint and investigation documents.

#### Procedures

1. Upon receipt of a complaint regarding a violation of civil rights, a case folder is created with the name of the person filing the complaint and the date of the filing.
2. A copy of the complaint is placed in the case folder.
3. The case folder is filed within the Title VI file.
4. The original complaint is submitted to LAVTA's third party claims adjuster for an investigation.

5. Any additional correspondence from the person filing the complaint will be handled in the same manner with a copy being placed in their case folder.
6. Any correspondence from the third party claims adjuster or legal counsel pertaining to the claim will also be filed in the case folder.
7. If the third party claims adjuster determines it necessary, they will forward the claim to legal counsel.

#### TITLE VI INVESTIGATIONS, COMPLAINTS, AND LAWSUITS RECORDS

There have been no Title VI complaints, investigations, or lawsuits since the last Title VI submittal in April 2016.

#### PUBLIC PARTICIPATION PLAN

The LAVTA Public Participation Plan is included as Appendix D. Included in the plan is the LAVTA Board of Directors-adopted Public Hearing Policies and Procedures, as well as an Outreach Toolbox. The Public Participation Plan ensures that there is a process established to solicit and consider public comment prior to raising fares or implementing a major reduction of transit services, and that outreach to minority and/or limited English proficient (LEP) populations occurs during every public comment period. The Outreach Toolbox identifies a multi-faceted approach to reaching diverse populations within the LAVTA service area, including the LEP and minority populations. The Public Participation Plan has been used to inform decisions on outreach in other situations, and will be updated as needed to reflect current best practices and community needs and resources.

#### Public Hearings

LAVTA has conducted four public hearings on proposed service changes and fare changes since the last Title VI submission, held on the following dates:

September 12, 2018: Proposed Fare Policy Changes

September 10, 2018: Proposed Fare Policy Changes

September 10, 2018: Proposed Fare Policy Changes

May 2, 2016: Proposed Service Changes

The public was notified about these hearings in the following ways:

- Press release issued and distributed to the Tri Valley News Media (The Independent, Pleasanton Weekly, East Bay Times), the Tri Valley Chambers of Commerce, and all three Tri-Valley school districts.
- Press release sent to the Tri-Valley sites of The Patch, a community-specific news and information platform for the community to read and learn about what is happening in their neighborhood.
- Details of the public hearings were posted to the Wheels website.

- Maps and descriptions of the proposed service changes were posted on the Wheels website in both English and Spanish, with copies available in Chinese and Korean upon request.
- Flyers in English, Spanish, and Chinese regarding the fare increase public input process were available to the public at the Dublin, Livermore and Pleasanton public libraries and senior centers, senior housing facilities, at the Wheels Administration Office and at the Wheels Transit Center.
- Fare increase public notices and brochures in English, Spanish, and Chinese were displayed on the interior of all Wheels buses, showing public meetings & hearing dates and locations.
- Facebook, and Twitter were utilized to post details about public hearings.
- Flyers (English, Spanish and Chinese) posted at high ridership bus stops
- Email sent to parents of middle and high school students using Peachjar.

For each of the public hearings, comments were collected and considered in the development of the final recommendations. Comments were also accepted via phone, fax and email. LAVTA received 11 comments for the fall 2018 proposed fare changes and 24 comments at the May 2, 2016 public hearing on the 2016 proposed service changes. An additional 261 comments were received during the public input phase of the 2015/2016 Comprehensive Operational Analysis, which took place prior to the three-year time frame of this submittal. Final service and fare recommendations were adjusted based on public comment received, when possible.

#### Public Outreach

LAVTA has participated in the following types of outreach events since its last Title VI submission:

- Public meetings/workshops
- Social media campaigns
- Farmer markets in Pleasanton, Livermore, and Dublin

### LANGUAGE ASSISTANCE TO PERSONS WITH LIMITED ENGLISH PROFICIENCY

A copy of the LAVTA Limited English Proficiency (LEP) Plan is provided as Appendix E. The plan was updated in 2019 in preparation for the 2019 Title VI submission.

### RACIAL BREAKDOWN OF LAVTA'S APPOINTED COMMITTEES

LAVTA currently has one appointed advisory committee, the Tri-Valley Accessibility Advisory Committee (TAAC), which consists of eleven members. The three cities in the LAVTA service area, Dublin, Pleasanton, and Livermore, have two members each. The County of Alameda has one member. There are three members who are representatives of Tri-Valley social service agencies, and one member who represents Alameda County's Paratransit Advisory and Planning Committee (PAPCO). The Committee also includes one alternate member for each city, and one alternate member representing the County of Alameda.

The current racial breakdown, as provided by the membership, is provided below. For purposes of this analysis, LAVTA considers a minority person to be any person who identifies as non-white. The names of the members have been replaced with letters of the alphabet for anonymity. On the standing committee, the total racial minority breakdown is 27%.

(As of April 2019)

To ensure that the racial breakdown of TAAC remains representative of the racial demographics of Tri-Valley area, the percentages of the racial breakdown of the TAAC and LAVTA's Public Participation Plan will be provided to the appointing jurisdictions when one of their seats becomes vacant. This will allow them to make an informed decision and better assist LAVTA in meeting its diversity goals.

#### REPORTING SUBRECIPIENT COMPLIANCE

Not applicable as LAVTA has no subrecipients.

#### EQUITY ANALYSIS FOR THE LOCATION OF NEW CONSTRUCTION

No new facilities have been located and/or constructed since the last Title VI Program Submission. LAVTA will conduct the required equity analysis for facilities citing whenever future new facilities are considered.

#### FIXED ROUTE TRANSIT PROVIDER REQUIREMENTS

LAVTA is a fixed route transit provider for a service area divided between two UZAs, Concord and Livermore. The Livermore UZA is a small UZA with a population of less than 200,000. LAVTA operates a peak pull of 12 vehicles in the Livermore UZA. The Concord UZA is a large UZA with a population of more than 200,000. LAVTA operates a peak pull of 37 vehicles in the Concord UZA. Under these parameters, LAVTA is considered a small operator and is required to set and report system-wide service standards and system-wide policies as part of its Title VI Program.

#### SERVICE STANDARDS AND POLICIES

The service standards and policies contained herein are used to develop and maintain efficient and effective fixed-route transit service. In some cases, these standards differ from standards used by LAVTA for purposes other than Title VI.

#### QUANTITATIVE SERVICE STANDARDS

The FTA requires all fixed-route transit providers of public transportation to develop quantitative standards for the following indicators. Individual public transportation providers set these standards; therefore, these standards will apply to each individual agency rather than across the entire transit industry:

- A. Vehicle Load
- B. Vehicle Headways
- C. On-time Performance
- D. Service Availability

For the purposes of defining service standards and policies for LAVTA fixed-route service, the agency has split its system into four route classifications:

- **Primary (Trunk) Routes:** Trunk routes are typically direct and operate along main arterials, constituting a primary form of local fixed-route bus service. Typically, trunk routes operate every 15 to 30 minutes on weekdays, with a relatively long service span.
- **Regional Express Routes:** Regional Express routes provide direct service during peak commute hours, focusing on linking cities or neighborhoods with high concentrations of passengers traveling to a specific employment area or major transit hub.
- **Neighborhood Feeders:** Feeder buses are designed to “feed” trunk routes and intercity express bus services. They often cover shorter distances and typically have longer headways.
- **School Trippers:** School trippers look like neighborhood feeders, but are designed to serve a specific market – students – and are often provided as a way to address what would be overcrowding on primary and neighborhood feeder routes. These routes are open to the general public, but run very limited schedules on school days only.

The classifications were not developed to, and in fact do not, differentiate routes by minority or income status of the areas or passengers served. The following chart illustrates which routes belong to each classification:

**Table 2: Route Classification**

Route Classification	LAVTA Routes
Primary	Rapid (30), Rapid (10)
Regional Express	20x, 70x, 580x, 711 Bart EBX
Neighborhood Feeder	1, 2, 3, 8, 11, 14, 15, 53, 54
School Tripper	501A, 501B, 502, 503, 504, 601, 602, 603, 604, 605, 606, 607, 608, 609, 610, 611

LAVTA also defines service standards differently for peak and off-peak service. “Off-peak” refers to weekday midday and evening service, as well as Saturday, Sunday, and Holiday service. “Peak” refers to weekday commute periods, generally 6 am to 9 am and 3:30 pm to 6:30 pm.

The chart below shows LAVTA’s current service standards, which were approved by the Board in 2016 as a part of the Short Range Transit Plan.

*System-wide Service Standards by Mode – 2016 Short Range Transit Plan*

Service Standard	Modes			
	Primary	Regional Express	Neighborhood Feeder	School Tripper
Vehicle Load	60 riders (1.5x seated capacity)	40 riders (1x seated capacity)	60 riders (1.5x seated capacity)	60 riders (1.5x seated capacity)

Service availability				
Service hours distribution	Distribute service hours proportionately with the population of the cities of Dublin, Livermore, and Pleasanton, respectively, within +/- 15%	Distribute service hours in the peak direction during peak hours	Distribute service hours proportionately with the population of the cities of Dublin, Livermore, and Pleasanton, respectively, within +/- 15%  Provide service within a quarter-mile (400m) radius of medium- to high-density residential areas, and to 80% of 100+ employee locations	Distribute service hours during school days only, providing one or two trips in the morning and afternoon
Bus Stop spacing	Maintain bus stop spacing of 1 mile (1600m)	No standard. Express routes are defined as providing direct service to and from major hubs	Maintain bus stop spacings of 1/3 mile (500m), except where on undeveloped or freeway segments	No standard

### QUALITATIVE SERVICE POLICIES

The FTA also requires all fixed-route transit providers of public transportation to develop qualitative standards for bus stop amenities and vehicle assignment. As with the quantitative standards, individual public transportation providers set their own qualitative standards.

#### Bus Stop Amenities

The following 10 point system is used as a decision making tool at the planning level to determine which bus stops will be prioritized for improvements when the financial resources are available. If a bus stop meets the amenities criteria it may be considered for a shelter or bench and trash receptacle placement. Meeting these criteria does not guarantee shelter installation. Existing site conditions and pedestrian infrastructure, public right-of-way availability, accessibility and safety issues, and other concerns must be reviewed and addressed before future shelter or bench placements are confirmed.

Bus stops that accumulate 10 points or more may be considered for shelter placement; 6 points or more may warrant a bench and trash receptacle.	
• 7 points	High boarding count or transfer location - Number of patrons getting on the bus at this stop exceeds 20 people per day.
• 4 points	Special needs – Includes small facilities or people with special requirements for shelter that might not qualify for attention based on boarding counts (senior citizen centers, medical offices, libraries, persons with certain disabilities, etc.).
• 4 points	Activity Location - Locations with high density of people and thus high potential for ridership (apartments, high rise office building, shopping center, schools, hospitals).
• 3 points	Exposure to elements – Locations with no landscape or buildings to offer shade/rain protection, no seat walls, no area to stand outside of sidewalk, and 2-3 lanes of traffic of 40 mph or more, giving patron no feeling of security at stop.
• 2 points	Long waiting time for bus – stops at which patrons wait 30 minutes or more between buses.
• 1 point	Request for improvement – Citizen requests improvements at stop.

Note: The criteria serve to direct LAVTA's limited resources when not every location can be improved. Ideally, every bus stop should have at least one bench and/or shelter, and a trash receptacle. Due to the lack of room at most bus stops, no more than two (2) pieces of furniture should be placed at each stop.

#### Vehicle Assignment

The Rapid Routes 10R and 30R have branded hybrid electric vehicles dedicated to its service. There is a fleet of four 30', seven 35', and eleven 40' buses assigned to the Rapid service. The vehicles are rotated evenly throughout the route to ensure that the electric batteries are maintained. The 30' buses are assigned to runs with the least vehicle loads to avoid crowding.

Forty Foot Fleet

All LAVTA vehicles are ADA accessible, have full climate control systems for heating and air conditioning, and feature bus stop and directional announcements. All 40-foot of varying age rotate among routes, except when required otherwise due to operational constraints.

Twenty Nine Foot and Forty Foot Diesel Hybrids

Route 53 uses two diesel hybrid 29' vehicles to comply with grant funding requirements. Route 54 uses one 40' diesel hybrid to comply with grant funding requirements.

It is further the intent of LAVTA, that all citizens are aware of their rights to such access. This procedure is designed to serve as an educational tool for citizens so that they may understand one of the civil rights laws that protects against discrimination that could result from LAVTA programs and services, specifically, Title VI of the Civil Rights Act of 1964.

### **What is Title VI?**

Title VI is a section of the Civil Rights Act of 1964 requiring that “No person in the United States shall on the grounds of race, color or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance.” Note that Title VI does not address gender discrimination. It only covers race, color and national origin. Other Civil Rights laws prohibit gender discrimination.

### **How do I file a complaint?**

Any person who believes she or he has been discriminated against on the basis of race, color, or national origin by the Livermore Amador Valley Transit Authority (hereinafter referred to as “the Authority”) may file a Title VI complaint by completing and submitting the Authority’s Title VI Complaint Form. The Authority investigates complaints received no more than 180 days after the alleged incident. The Authority will process complaints that are complete.

### **Methods of filing a complaint**

The preferred method is to file your complaint in writing using the Title VI Complaint Form, and sending it to:

Title VI Coordinator  
Livermore Amador Valley Transit Authority  
1362 Rutan Court, Suite 100  
Livermore, CA 94551

Verbal complaints will be accepted and transcribed by the Title VI Coordinator. To make a verbal complaint, call (925) 455-7500 and ask for the Title VI Coordinator.

Once the complaint is received, the Authority will review it to determine if our office has jurisdiction. The complainant will receive an acknowledgement letter informing her/him whether the complaint will be investigated by our office.

### **Investigations**

The investigation will address complaints against any of the Authority’s department(s). The investigation will be conducted in conjunction with and under the advice of the Authority’s third party claims adjuster.

The investigation may include discussion(s) of the complaint with all affected parties to determine the problem. The complainant may be represented by an attorney or other representative of his/her own choosing and may bring witnesses and present testimony and evidence in the course of the investigation.

The investigation will be conducted and completed within 60 days of the receipt of the formal complaint. If more information is needed to resolve the case, the Authority may contact the complainant. The complainant has 5 business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within 5 business days, the Authority can administratively close the case. As case can be administratively closed also if the complainant no longer wishes to pursue their case.

Based upon all the information received, an investigation report will be written by the Third Party Claims Adjuster for submittal to the Executive Director. The complainant will receive a letter stating the final decision of the Executive Director by the end of the 60-day time limit. One of two letters to the complainant will be issued: a closure letter or a letter of finding (LOF). A closure letter summarizes the allegations and states that there was not a Title VI violation and the case will be closed. An LOF summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member or other action will occur. If the complainant wishes to appeal the decision, she/he has 10 days after the date of the letter or the LOF to do so.

La Autoridad de Transporte de Amador Valley de Livermore (LAVTA: Livermore Amador Valley Transit Authority) da acceso equitativo a todos los ciudadanos a sus servicios de transporte. Además, LAVTA tiene la intención de que todos los ciudadanos estén al tanto de sus derechos a tal acceso. Este procedimiento está diseñado para fungir como una herramienta educativa para los ciudadanos, con el fin de que ellos comprendan una de las leyes de derechos civiles que protegen su beneficio por los servicios y programas de LAVTA, especialmente cuando se trata del Título VI de la Ley de Derechos Civiles de 1964.

### **¿Qué es el Título VI?**

El Título VI es una sección de la Ley de Derechos Civiles de 1964 que requiere que "ninguna persona en los Estados Unidos será, con base en su raza, color u origen nacional, excluida de la participación o los beneficios, ni estará sujeta a discriminación en ningún programa o actividad que reciba la asistencia financiera federal". Observe que el Título VI no aborda la discriminación de género. Sólo cubre raza, color y origen nacional. Otras leyes de derechos civiles prohíben la discriminación de género.

### **¿Cómo presento una queja?**

Cualquier persona que cree que ha recibido un trato de discriminación por parte de Livermore Amador Valley Transit Authority (en lo sucesivo denominada "la Autoridad") con base en su raza, color u origen nacional, puede presentar una queja conforme al Título VI llenando y enviando el Formulario de Queja Conforme al Título VI de la Autoridad. La Autoridad investiga las quejas recibidas no más de 180 días después del presunto incidente. La Autoridad tramitará las quejas que se encuentren completas.

### **Los métodos para presentar de una queja**

El método preferido es presentar su queja por escrito, utilizando el Formulario de Queja Conforme al Título VI, y enviarla a:

Title VI Coordinator  
Livermore Amador Valley Transit Authority  
1362 Rutan Court, Suite 100  
Livermore, CA 94551

Las quejas verbales serán aceptadas y transcritas por el Coordinador del Título VI. Para presentar una queja verbal, llame al (925) 455-7500 y pregunte por el Coordinador del Título VI.

Una vez que se reciba la queja, la Autoridad la estudiará para determinar si nuestra oficina tiene jurisdicción. Quien presenta la queja recibirá un acuse de recibo informándole si la queja será investigada por nuestra oficina.

## Investigaciones

La investigación se ocupará de las quejas en contra de cualquier departamento de la Autoridad. La investigación se llevará a cabo en conjunto con y bajo el asesoramiento del ajustador de reclamos externo de la Autoridad.

La investigación pudiera incluir hablar sobre la queja con las partes afectadas para determinar el problema. Quien presenta la queja puede ser representado por un abogado u otro representante de su elección, y puede traer testigos y presentar testimonios y evidencias en el transcurso de la investigación.

La investigación será realizada y finalizada en un plazo no mayor a 60 días desde la recepción de la queja formal. Si se necesita más información para resolver el caso, la Autoridad pudiera comunicarse con quien presenta la queja. El autor de la queja cuenta con 5 días laborables desde la fecha de la carta para enviar la información solicitada al investigador asignado al caso. Si no se comunica con el investigador o éste no recibe la información adicional dentro de los 5 días laborables, la Autoridad podrá cerrar el caso administrativamente. También se puede cerrar el caso administrativamente si el autor ya no desea continuar con su caso.

Con base en toda la información recibida, se escribirá un reporte de la investigación por parte del ajustador de quejas externo para ser enviado al Director Ejecutivo. Quien presentó la queja recibirá una carta en la que se le informe la decisión final del Director Ejecutivo, antes de que se venza el plazo de 60 días. Se emitirá una de dos cartas al autor de la queja: una carta de cierre o una carta de fallo. Una carta de cierre resume las alegaciones y afirma que no hubo violación del Título VI y el caso será cerrado. Una carta de fallo resume las alegaciones y las entrevistas sobre el presunto incidente, y explica si ocurrirá alguna acción disciplinaria, entrenamiento adicional del personal o alguna otra acción. Si el autor de la queja desea apelar la decisión, cuenta con 10 días a partir de la fecha de la carta de cierre o de fallo para hacerlo.

Una persona también puede presentar una queja directamente con la Dirección Federal de Tránsito (*Federal Transit Administration: FTA*), dirigiéndola a: FTA Office of Civil Rights, 1200 New Jersey Avenue SE, Washington, DC 20590.

## **Livermore Amador Valley 交通管理局(LAVTA) 第六章(Title VI) 投訴程序**

Livermore Amador Valley 交通管理局 (LAVTA) 給所有公民獲得其全部交通服務的平等權利。其(LAVTA)進一步的目的是，讓所有公民都知道自己有獲得此服務的權利。該程序被設計成一種教育工具，旨在使公民可以了解民事權利法其中之一，以確保他們在LAVTA的項目和服務方面的利益，特別是它涉及到1964年的民權法案第六章(Title VI of the Civil Rights Act)。

### **什麼是第六章(Title VI) ？**

第六章(Title VI) 是1964年民權法案的一個部份，它規定，“在美國，任何人不會因為種族、膚色或祖籍的原因，而在接受聯邦政府財政援助的任何項目或活動中，被排除參與，被拒絕獲益，或受到歧視。” 請注意，第六章(Title VI) 沒有提到性別歧視問題。它僅包括種族、膚色，和祖籍。其他的民權法禁止性別歧視。

### **我該如何提交投訴？**

任何人，只要認為她或他因為種族、顏色、或祖籍的原因，而受到Livermore Amador交通管理局的歧視(以下簡稱為“管理局”)，都可以通過填寫完成并遞交管理局第六章(Title VI)投訴表格，而提交一份第六章(Title VI)投訴。管理局會調查在指控事件發生後收到的不超過180天的投訴。 管理局將處理完整的投訴。

### **提交投訴的方法**

首選的方法是使用第六章(Title VI) 投訴表格，以書面形式提交你的投訴， 並把它發送到：

Title VI Coordinator  
Livermore Amador Valley Transit Authority  
1362 Rutan Court, Suite 100  
Livermore, CA 94551

口頭投訴可以接受，並且由第六章(Title VI) 協調員轉抄為文字。 若想要口頭投訴，請致電 (925) 455-7500，找第六章(Title VI)協調員。

### **調查**

調查將針對被投訴的管理局任何部門。調查將與管理局的第三方案件調節者一起并在其建議下進行。

調查可能包括所有牽涉方對此投訴的討論，以便確定問題。在調查過程中，投訴人可派律師或他/她自己選擇的其他代表人作為代表，並且可以帶證人及出示證詞和證據。

調查將在收到正式投訴的60天之內進行并完成。如果需要更多的資料來處理這個案子，管理局可能會聯系投訴人。投訴人要在信上之日起5個工作日內把要求的資料發送給指派處理此案的調查員。如果投訴人沒有聯繫調查員，而調查員在5個工作日內沒有收到更多的資料，管理局可以行政上關閉此案件。如果投訴人不再想追究此案件，那麼此案件也可以行政上關閉。

根據收到的所有資料，第三方案件調節者將書寫一份調查報告提交給執行主任。投訴人將收到一封信，表明執行主任會在60天期限內作出最終決定。然後兩種信中的其中一種信將寄給投訴人，即關閉信或裁決信（LOF）。關閉信會總結這些指控，並指出該指控沒有違反第六章(Title VI) 的規定，因此該案件將被關閉。裁決信(LOF) 會總結這些指控及對於指控事件的採訪，並說明是否有任何紀律 處分、對工作人員額外的培訓或採取其他行動。如果投訴人想對這個決定提出上訴，她/他可以在信上或裁決信(LOF)上的日期之后10天內辦理此事。

## **Livermore Amador Valley Transit Authority (LAVTA)**

### **Titulo VI Pamamaraan ng Pagreklamo**

Ang Livermore Amador Valley Transit Authority (LAVTA) ay naggagawad sa lahat ng mamamayan ng pantay na paggamit sa lahat nitong serbisyo ng transportasyon. Ito ay higit pa sa layunin ng LAVTA, na nababatid ng lahat ng mamamayan ang kanilang mga karapatan sa gayong paggamit. Ang pamamaraang ito ay dinisenyo upang magsilbi bilang isang kasangkapang pang-edukasyon para sa mga mamamayan para maaari nilang maunawaan ang isa sa mga batas tungkol sa mga karapatang sibil na nagtatanggol laban sa diskriminasyon na maaaring maging resulta mula sa mga programa at serbisyo ng LAVTA, na partikular, sa Titolo VI ng Batas ng mga Karapatang Sibil (Civil Rights Act) ng 1964.

#### **Ano ang Titolo VI?**

Ang Titolo VI ay isang seksiyon ng Batas ng mga Karapatang Sibil (Civil Rights Act) ng 1964 na nag-aatas na “Walang sinumang tao sa Estados Unidos, batay sa lahi, kulay o bansang pinagmulan, ang matatanggal mula sa paglahok, matatanggihan sa mga benepisyo, o mapapasailalim sa diskriminasyon sa ilalim ng anumang programa o gawain na tumatanggap ng tulong pinansiyal ng pederal.” Alalahanin na ang Titolo VI ay hindi sumasakop sa diskriminasyon sa kasarian. Ito ay sumasaklaw lamang sa lahi, kulay at bansang pinagmulan. Ang iba pang mga batas sa mga Karapatang Sibil ang nagbabawal sa diskriminasyon sa kasarian.

#### **Paano ako maghahain ng isang reklamo?**

Ang sinumang tao na naniniwala na nakaranas nga siya ng diskriminasyon batay sa lahi, kulay, o bansang pinagmulan ng Livermore Amador Transit Authority (na sa sumusunod na bahagi ay tinutukoy bilang “Authority”) ay maaaring maghain ng isang Titolo VI na reklamo sa pamamagitan ng pagkumpleto at pagpasa sa Authority ng Titolo VI na Pormularyo ng Pagreklamo. Ang Authority ay nagsisiyasat ng mga natanggap na reklamo nang hindi lalampas sa 180 araw pagkatapos ng nasabing insidente. Ang Authority ay magpoproseso ng mga reklamo na kumpleto.

#### **Mga paraan ng paghahain ng isang reklamo**

Ang higit na ninanais na paraan ay ang paghahain ng inyong reklamo nang nakasulat gamit ang Titolo VI na Pormularyo ng Pagreklamo at ipadala ito sa:

Title VI Coordinator  
Livermore Amador Valley Transit Authority  
1362 Rutan Court, Suite 100  
Livermore, CA 94551

Ang mga pasalitang reklamo ay tatanggapin at isusulat ng Title VI Coordinator. Para gumawa ng pasalitang reklamo, tumawag sa (925) 455-7500 at hanapin ang Title VI Coordinator.

Kapag natanggap ang reklamo, susuriin ito ng Authority upang matukoy kung may saklaw dito ang tanggapan. Ang nagrereklamo ay makakatanggap ng sulat ng katunayan ng pagtanggap na nagbibigay-alam sa kanya kung ang reklamo ay sisiyasatin ng aming tanggapan.

### **Mga Imbestigasyon**

Ang imbestigasyon ay tutugon sa mga reklamo laban sa anumang (mga) departamento ng Authority. Isasagawa ang imbestigasyon na kasabay at sa ilalim ng payo ng third party claims adjuster ng Authority.

Maaaring kabilang sa imbestigasyon ang (mga) pagtalakay ng reklamo sa lahat ng apektadong panig upang matukoy ang problema. Ang nagrereklamo ay maaaring katawanin ng isang abogado o iba pang kinatawan na sarili niyang pinili at maaaring magdala ng mga saksi at maglahad ng testimonya at ebidensiya sa panahon ng imbestigasyon.

Ang imbestigasyon ay isasagawa at tatapusin sa loob ng 60 araw ng pagtanggap ng pormal na reklamo. Kung higit na impormasyon ang kailangan upang malutas ang kaso, ang Authority ay maaaring kumontak sa nagrereklamo. Ang nagrereklamo ay mayroong 5 araw ng trabaho mula sa petsa ng sulat upang magpadala ng hiniling na impormasyon sa imbestigador na itinalaga para sa kaso. Kung ang imbestigador ay hindi kontakin ng nagrereklamo o hindi matanggap ang mga karagdagang impormasyon sa loob ng 5 araw ng trabaho, ang Authority ay maaaring administratibong isara ang kaso. Maaaring administratibong isara din ang kaso kung ang nagrereklamo ay hindi na nagnanais na ipagpatuloy ang kanilang kaso.

Batay sa lahat ng natanggap na impormasyon, isang ulat ng imbestigasyon ang isusulat ng Third Party Claims Adjuster para ipasa sa Executive Director. Ang nagrereklamo ay tatanggap ng isang sulat na nagsasaad ng pinal na desisyon ng Executive Director sa katapusan ng 60-araw na takdang panahon. Ang isa sa dalawang sulat sa nagrereklamo ay ipapalabas: ang sulat ng pagsasara o sulat ng kinalabasan [letter of finding (LOF)]. Ang sulat ng pagsasara ay nagbubuod sa mga paratang at nagsasaad na walang paglabag sa Titulo VI at ang kaso ay isasara. Ang LOF ay nagbubuod ng mga paratang at panayam patungkol sa nasabing insidente, at nagpapaliwanag kung may magaganap na anumang aksiyong pandisiplina, karagdagang pagsasanay ng mga kawani o iba pang aksiyon. Kung magnanais ang nagrereklamo na umapela sa desisyon, mayroon siyang 10 araw pagkatapos ng petsa ng sulat o ng LOF para gawin ang apela.

Ang isang tao ay maaari ding maghain ng reklamo nang direktso sa Federal Transit Administration, sa FTA Office of Civil Rights, 1200 New Jersey Avenue SE, Washington, DC 20590.

## TITULO VI PORMULARYO NG PAGREKLAMO

Ang Titulo VI ng Batas ng mga Karapatang Sibil (Civil Rights Act) ng 1964 ay nag-aatas na “Walang sinumang tao sa Estados Unidos, batay sa lahi, kulay o bansang pinagmulan, ang matatanggal mula sa paglahok, matatanggihan sa mga benepisyo, o mapapasailalim sa diskriminasyon sa ilalim ng anumang programa o gawain na tumatanggap ng tulong pinansiyal ng pederal.”

### **Public Participation Plan**

The Livermore Amador Valley Transit Authority (LAVTA) has identified multiple ways to solicit input from riders, including minority and limited English proficient (LEP) populations as well as other underserved communities, when considering a major transportation decision such as a significant change in service or fares. In December 2008, the LAVTA Board of Directors adopted Public Hearing Policies and Procedures and a Public Outreach toolbox (Attached) which outlines when a public hearing will be conducted and what methods may be utilized to inform the public of the public hearing and comment period.

Staff will utilize the strategies identified in the Public Outreach toolbox to notice the public comment period, hold public meetings in locations that are accessible to transit riders and people with disabilities, schedule meetings at times that are convenient for bus riders and members of the public, advertise meetings and hearings in English and Spanish, and provide notice of the availability of language assistance. Depending on the magnitude of the decision, e.g., route changes and the areas affected by the route changes, staff will also translate public meeting and hearing materials into Spanish, Chinese, Korean and, effective with this Title VI Program submittal, Tagalog. All comments received during the public comment period and at the public hearing will be considered in developing the final recommendations, such as for service changes or fare increases.

### **Engaging Minority Populations**

LAVTA engages with minority and LEP populations when soliciting feedback on service changes and fare increases, using its LEP Plan and Outreach Toolbox to do so. At a minimum, LAVTA translates all public hearing information and notices into Spanish, and occasionally into Chinese and Korean (again, effective with this Title VI Program submittal, translation into Tagalog will be considered). LAVTA provides copies of public hearing information and notices at libraries and senior centers in the Tri-Valley. Notices are posted in English and Spanish onboard all LAVTA buses. These notices are also available online.

### **PUBLIC HEARING POLICIES AND PROCEDURES**

**Adopted December 1, 2008**

#### **I. BACKGROUND**

The Livermore Amador Valley Transit Authority (LAVTA) is required by Federal law to establish a policy which describes a process to solicit and consider public comment prior to raising fares or implementing a major reduction of transit services.

#### **II. LAVTA POLICY**

1. It shall be LAVTA's policy that public comments be solicited prior to:
  - (i) Any permanent change which increases fares on LAVTA's fixed route service.
  - (ii) Any permanent change which increases fares on LAVTA's Dial-A-Ride paratransit service.
  - (iii) A twenty-five percent (25%) or more reduction of the number of daily transit revenue vehicles of a route; i.e., the total number of miles operated by all vehicles in revenue service for a particular day of the week on an individual route.
  - (iv) A twenty-five percent (25%) or more reduction of the number of transit route miles of a route; i.e., the total mileage covered during the one round trip by a vehicle in revenue service on a particular route.
  - (v) Proposed introduction of a new route.
2. It shall be LAVTA's policy that the following are ordinarily exempt from the requirement of public comment and public hearing:
  - (i) A minor change in fare or service. Examples would be temporarily reduced or promotional fares, minor reroutes or minor temporary reroutes due to street construction or minor schedule changes.
  - (ii) Experimental or emergency service or fare changes expected to exist fewer than 180 days and standard seasonal variation in service. If these changes ultimately continue to remain in effect for more than 180 days, they will be the subject of public comment and public hearing.

#### **III. PROCEDURES**

##### **1. PRIOR COMMITTEE CONSIDERATION**

All public hearings are to be called by a LAVTA Committee or the Board of Directors. However, when authorized by the Chair, the Executive Director may call a public hearing that is required by law or by District policy when doing so would move the process forward in a timely manner.

## Appendix D: Public Participation Plan

Livermore Amador Valley Transit Authority

Title VI Program

As a general rule, no hearing will be called until the subject of the hearing has been reviewed by the Operations Committee\*. In particular with regard to the proposed implementation of a new or revised route, LAVTA staff will recommend to the Operations Committee, as well as to Board Members from affected cities that do not serve on the Operations Committee, the specific element(s) in the Public Outreach Toolbox (see attachment) to use for the public hearing.

The Operations Committee report to the Board should identify the subject of the hearing, explain what objectives are sought to be achieved by the proposal which will be considered at the hearing and indicate whether the hearing is legally required prior to Board action on the subject. The report shall also address whether there is a particular sector of the public that needs to be involved. However, if time does not permit prior committee consideration, the Executive Director may refer the matter directly to the Board.

### **2. PUBLIC NOTIFICATION**

When required, the public comment process will generally begin with the publishing of a notice 30 calendar days in advance of the public hearing date in the local newspaper of general distribution. Shorter notice may be given when permitted by law and when financial, operational, or scheduling considerations make it infeasible to provide 30 days advance notice. At a minimum, the notice must be published at least 10 days prior to the hearing. LAVTA will also post the notice publicizing the hearing on its website.

If specific groups or neighborhoods would be affected by a proposed change, LAVTA shall use best efforts to publish the notice in newspapers, if any, oriented to such groups or neighborhoods and to otherwise publicize the hearing to reach such groups or neighborhoods.

This notice will set a specific place, date and time for one or more public hearings. Written comments will also be accepted on the proposed changes until the opening of the public hearing.

### **3. SCHEDULING PUBLIC HEARING(S)**

The public hearing(s) will be scheduled at a time, date and place designated in the public notice. The facility utilized for public hearings will be accessible to persons with disabilities. Special arrangements will be made for sight or hearing impaired persons if requested.

\*NOTE: In 2010, this committee was renamed the Projects and Services Committee

## Appendix D: Public Participation Plan

Livermore Amador Valley Transit Authority

Title VI Program

### 4. **PROCEDURE FOR CONDUCTING PUBLIC HEARING**

Forms will be available to attendees to register their presence and desire to speak. Public hearings will begin with a reading of the public notice, purpose and proposed action which necessitated the public hearing. After an explanation of the proposed action is completed, the public will be invited to offer their comment. Limitations may be established on the length of oral presentations in order to afford all members of the public a reasonable opportunity to speak. After all registered persons have commented, a final opportunity will be offered for any additional public comment. This offering will precede the close of the public hearing.

At the close of the public hearing, it will be announced where the item will next be heard, either before a committee or the Board. At the subsequent committee or Board meeting, the Executive Director will provide a report summarizing and responding to key comments made by the public.

### 5. **ADDRESSING PUBLIC COMMENTS RECEIVED**

All relevant comments received verbally or in writing at a public hearing, or as otherwise conveyed to LAVTA prior to the established deadline, will be entered into the public record of the comment process. Additionally, comments regarding route changes submitted by the public subsequent to the last service change shall be entered into the public record. Subsequent to the public comment period, staff will evaluate and analyze all relevant comments received and prepare a written summary report of significant issues raised during the public comment period for consideration by the LAVTA Board of Directors.

### 6. **SUBSEQUENT BOARD CONSIDERATION AND ACTION**

Consideration of and action on all fare increase or major changes in service held at a subsequent committee or Board meeting after the public hearing shall not require further published notice. Notice of the agenda of such committee or Board meeting shall be provided in accordance with regular LAVTA procedures.

## Appendix E: 2019 LEP Plan

### 1. Introduction

This Limited English Proficiency (LEP) Plan has been prepared to address the responsibilities of the Livermore Amador Valley Transit Authority (LAVTA) as a recipient of federal financial assistance as they relate to the needs of individuals with limited English language skills. The plan has been prepared in accordance with Title VI of the Civil Rights Act of 1964, 42 U.S.C. 2000d, et seq, and its implementing regulations, which state that no person shall be subjected to discrimination on the basis of race, color or national origin.

Executive Order 13166, titled Improving Access to Services for Persons with Limited English Proficiency, indicates that differing treatment based upon a person's inability to speak, read, write or understand English is a type of national origin discrimination. It directs each federal agency to publish guidance for its respective recipients clarifying their obligation to ensure that such discrimination does not take place. The Executive Order applies to all state and local agencies which receive federal funds, including LAVTA, which receives federal assistance through the U.S. Department of Transportation (U.S. DOT).

### 2. Plan Summary

LAVTA has developed this LEP Plan to help identify reasonable steps for providing language assistance to persons with limited English proficiency who wish to access LAVTA's services. As defined in Executive Order 13166, LEP persons are those who do not speak English as their primary language and have limited ability to read, speak, write or understand English.

This plan outlines how to identify a person who may need language assistance, the ways in which assistance may be provided, staff training that may be required, and how to notify LEP persons that assistance is available.

### 3. LEP Four Factor Analysis

In order to prepare this plan, LAVTA undertook the U.S. DOT four-factor LEP analysis which considers the following factors:

1. The number or proportion of LEP persons in the service area who may be served or are likely to encounter a LAVTA program, activity or service.
2. The frequency with which LEP persons come in contact with LAVTA programs, activities or services.
3. The nature and importance of programs, activities or services provided by LAVTA to the LEP population.
4. The resources available to LAVTA and overall cost to provide LEP assistance.

A summary of the results from the four-factor analysis follows.

- 3.1 Factor One: The number or proportion of LEP persons in the service area who may be served or are likely to encounter a LAVTA program, activity or service

## Appendix E: 2019 LEP Plan

LEP persons are most likely to interact with LAVTA staff and resources through the fixed route system, which serves the general public, and the demand-response (Dial-A-Ride) system, which serves primarily disabled persons. Census data from the three Tri-Valley cities (Dublin, Pleasanton, and Livermore) that constitute LAVTA's service area has been used to assess the population's overall level of English proficiency.

The Census Bureau has defined classifications of how well people speak English. The classifications are 1.) people that speak English "very well;" 2.) people that speak English "well;" 3.) people that speak English "not well;" and 4.) people that speak English "not at all." For the purposes of the LEP Plan, a limited English proficient person is someone who reports as speaking English less than "very well."

Within the LAVTA service area, 10.8% of the population speaks English less than very well. On a percentage basis, Dublin has the highest percentage of less than proficient English speakers in the service area. Pleasanton has a slightly smaller percentage than Dublin, while Livermore has the lowest percentage of persons who speak English less than "very well". Table 1 shows the distribution of English proficiency within the population, aged 5 years and older.

Population data in Table 2 shows the languages spoken at home for all persons, aged five years old and older, within the LAVTA service area. Of the total population, 65,665 people (31.15%) speak a language other than English at home. The six most prevalent languages spoken at home other than English are Spanish with 15,875 people (7.53%), Chinese with 11,762 people (5.58%), Tagalog with 3,484 people (1.65%), Korean with 3,461 people (1.64%), Vietnamese with 1,485 people (0.70%), and Arabic with 1,397 people (0.66%).

## Appendix E: 2019 LEP Plan

The people speaking a language other than English at home (31.15%) is larger than the group reporting that they speak English less than very well (10.8%). Within the language groups mentioned above, those groups that report speaking English less than very well and are considered Safe Harbor languages because they constitute 5% or 1,000 persons, whichever is less, of the total population eligible to be served by LAVTA, include Spanish with 6,012 (2.85%), Chinese with 5,661 people (2.69%), Korean with 1,862 people (0.88%), and Tagalog with 1,283 people (0.61%). The remaining language groups do not have 1,000 people or 5% speaking English less than very well.

The following four maps represent the concentrations of populations who speak Spanish, Chinese, Korean, and Tagalog, and speak English less than very well, in the Tri-Valley, overlaid with LAVTA's bus routes. Each map portrays the demographic information by Census tract in five quantitative groupings: less than 100 people, 100-200 people, 200-300 people, 300-500 people, and more than 500 people.

### 3.2 Factor Two: The frequency with which LEP persons come in contact with LAVTA programs, activities or services

LAVTA assessed the frequency with which LEP persons have, or could have, contact with LAVTA's services, including its staff and drivers. LAVTA assesses the frequencies on an order of magnitude scale, by determining a specific point of contact and how often a person comes in contact, including frequently (daily), often (weekly), and occasionally (monthly). The following “touch points” and frequencies have been identified.

### 3.3 Factor Three: The nature and importance of programs, activities or services provided by LAVTA to the LEP population

The largest concentrations of LEP individuals in the LAVTA service area are people who speak Spanish, followed by Chinese, Korean, and Tagalog. Services provided by LAVTA that are most likely to be encountered by LEP individuals are the fixed route system and the demand-response (Dial-A-Ride) system. It is also likely that LEP individuals will encounter LAVTA resources or staff at the Livermore Transit Center, where different fares options are sold. On occasion, LEP individuals come into contact with LAVTA staff at the Administrative Offices when arriving for in-person Dial-A-Ride eligibility interviews. Community outreach events act as additional opportunities where LEP individuals and LAVTA staff can communicate through language services.

### 3.4 Factor Four: The resources available to LAVTA and overall cost to provide LEP assistance

## Appendix E: 2019 LEP Plan

LAVTA assessed the available resources that could be used to provide LEP assistance, including determining the costs of professional interpreters and translation and taking an inventory of available organizations with whom resources could be shared. LAVTA used this information to determine which of its documents and materials would be the most valuable to be available in multiple languages. Translation of documents and other printed material is achieved through a contractor on an as needed basis, costing the agency approximately of \$2,000 per year. Depending on which languages become more prominent in the Tri-Valley area, more money may be spent on translation services in the next few years.

LAVTA currently employs several Spanish-speaking staff members, including the entire staff of three who work at the Downtown Livermore Transit Center. Transit Center staff now handle about twenty Spanish-speaking calls a day compared to 2016 when there were less than ten Spanish-speaking calls per day. Overall, approximately one out of twenty people encountered by Customer Service are not proficient in English. Customer Service indicates individuals who are not proficient in English, speak other languages including Chinese, Tagalog, Spanish, Arab, and Farsi. Additionally, LAVTA has access to a Language Line for on-the-spot translation for languages. For in-person meetings, LAVTA staff can be accompanied by a translator to ensure there's clear communication with the LEP individual.

### 4. LEP Plan

This LEP Plan is the implementation plan to ensure meaningful access to LAVTA services, resources, benefits, and information through language assistance for LEP persons.

LAVTA has identified LEP populations based on 2013-2017 American Community Services (ACS) findings and staff interactions with LEP individuals. Within the LAVTA service area, 65,665 people, which is approximately 31% of the LAVTA service area, speak a language other than English at home. The most predominant languages spoken at home other than English are Spanish, Chinese, Tagalog, Korean, Vietnamese, and Arabic. Of these predominant languages, Spanish, Chinese, Korean, and Tagalog are considered Safe Harbor languages because they constitute 5% or 1,000 persons, whichever is less, of the total population eligible to be served by LAVTA. The Four Factor Analysis shows the geographic breakdown of Spanish, Chinese, Korean, and Tagalog speakers who speak English less than very well using Census Tract and 2013-2017 ACS findings (Figures 1, 2, 3, and 4). Spanish and Chinese speakers account for 51% of the population who identifies as speaking English less than very well in the LAVTA service area (5.54% of the overall LAVTA service area population). LEP Korean speakers consist of 1,862 people (0.88% of the overall LAVTA service area population). The Tagalog LEP population consists of 1,283 persons (0.61% of the overall LAVTA service area population). LAVTA has previously translated all vital documents into Spanish and Chinese. Effective with the development of this LEP Plan, Korean, and Tagalog will be added to that list.

## Appendix E: 2019 LEP Plan

Based on the four-factor analysis, LAVTA developed its LEP Plan into five areas as follows:

1. Identifying LEP individuals who need language assistance
2. Language assistance measures
3. Training Staff
4. Providing Notice to LEP persons
5. Monitoring and updating the LEP Plan

### 4.1 Identifying LEP individuals who need language assistance

#### ***How LAVTA may identify an LEP person who needs language assistance***

- Utilize Census data, provided in response to Factor One, to determine the number and proportion of LEP persons eligible for service;
- Examine customer service records for language assistance that have been received in the past, either at meetings, online or over the phone, to determine whether language assistance might be needed at which future events;
- Look at utilization of LAVTA's language line, as well as the number of calls by both Dial A Ride and Transit Center Customer Service Representatives;
- When LAVTA sponsors an event, have a staff person greet participants as they arrive. By informally engaging participants in conversation it is possible to informally gauge each attendee's ability to speak and understand English;
- Look at how many times and into what languages the LAVTA website pages have been translated and consider pre-translation of those pages in LAVTA's website updates;
- Work with community based organizations (CBOs) to identify LEP persons in LATVA's service area as well as their frequency and points of contact with the LATVA's services.

### 4.2 Language Assistance Measures

There are numerous language assistance measures available to LEP persons, including both oral and written language services. There are also various ways in which LAVTA staff responds to LEP persons, whether in person, by telephone or in writing.

#### ***How LAVTA will assist an LEP person who needs language assistance***

- LAVTA will work with local senior centers to provide vital information to LEP groups on LAVTA programs and services;
- Network with local human service organizations that provide services to LEP individuals and seek opportunities to provide information on LAVTA programs and services;
- Provide a statement in notices and publications that interpreter services are available for public hearings and Board of Director meetings, with seven day advance notice;

## Appendix E: 2019 LEP Plan

- Provide a statement in flyers that interpreter services are available at public hearings and workshops, with a 72-hour advance notice;
- When an interpreter is needed for a language other than Spanish, in person or on the telephone, staff access on-demand language assistance services from a professional translation service via a language line;
- Work with our bus operations contractor to survey their front-line staff on which routes they see the most LEP individuals;
- Encourage the skill to speak multiple languages in the recruitment of customer service representatives and bus drivers;
- Provide documents (including public hearing information, how to ride information) in Spanish and translate all vital documents into all Safe Harbor languages;
- Utilize the Public Participation Plan to perform targeted outreach to LEP persons.

### 4.3 Staff Training

#### ***How LAVTA will train staff on its role and responsibilities in providing meaningful access to services for LEP persons***

- Identify LAVTA staff that are likely to come in contact with LEP persons, including bus drivers, customer service, etc.
- Develop curriculum and a corresponding PowerPoint to educate LAVTA staff on providing meaningful access to services for LEP persons;
- Provide staff with a description of language assistance services offered by LAVTA;
- Provide staff with specific procedures to be followed when encountering an LEP person;
- Provide the bus operations contractor with information regarding Title VI responsibilities to be shared at safety meetings and through the contractor's monthly newsletter.

### 4.4 Communications with LEP Persons

#### ***How LAVTA will provide Communications to LEP Persons***

##### *Oral communications:*

- Ensure that Transit Center and Dial-A-Ride Customer Service Representatives have the ability to speak English and Spanish;
- Provide a statement affirming that LAVTA will make reasonable accommodations to provide an interpreter at public hearings and meetings with advance notice.
- Utilize the Public Participation Plan to perform outreach to LEP persons;

## Appendix E: 2019 LEP Plan

- Utilize a language line when a customer calls in and is unable to speak English or Spanish;

### *Written communications:*

- Use the services of a professional translation provider to ensure that vital documents are accurate (vital documents are defined as those documents without which a person would be unable to access services);
- Information about LAVTA's non-discrimination policies and information on the local/federal complaint process will be provided in Spanish, Chinese, Korean, and Tagalog on the LAVTA website and will be provided in other languages upon request;
- The Fares and Policies brochure, which contains information on fares, accessibility, locations where discount tickets and passes are sold, and general riding information, is printed in English and Spanish and available upon request in Chinese, Korean, and Tagalog. Translations will be updated every other year or when changes to vital information are required;
- The [www.wheelsbus.com](http://www.wheelsbus.com) website can be viewed in English, Spanish, Chinese, Korean, Tagalog, and Vietnamese, from an easily accessed dropdown menu at the top of any page;
- Onboard "take one" flyers containing information about route changes, rider alerts, fare increases and public hearings are provided in English and Spanish;
- Temporary signs at bus stops and transit centers informing customers of any detours or route changes are provided in English and Spanish;
- Interior bus cards displaying cash fare, cost of monthly discount passes and special promotions/campaigns are provided in English and Spanish;
- Interior bus stickers and posters at Transit Center that display safety or system policy information are provided in English and Spanish;
- Interior bus cards with Title VI Information are provided in English and Spanish;
- Interior bus cards with Title VI Information include a sentence that information can be provided in Chinese, Korean, and Tagalog upon request, written in each respective LEP language;
- Onboard surveys are provided in English and Spanish;
- Utilize the Public Participation Plan to perform outreach to LEP persons.

### 4.5 Monitoring and Updating the LEP plan

This plan is designed to be flexible, and should be viewed as a "living document." As such, it is important to consider whether new documents and services need to be made accessible for LEP persons, and also to monitor changes in demographics and types of services.

## Appendix E: 2019 LEP Plan

### ***How LAVTA will examine and update its LEP Plan***

LAVTA will periodically update the LEP Plan. At a minimum, the plan will be reviewed and updated when it is clear that higher concentrations of LEP individuals are present in the LAVTA service area. The following details the methodology that will be used:

- Record and report on the number of LEP persons encountered annually through LAVTA's communications with local Senior Centers;
- Record how many times the language line has been utilized and for which languages;
- Determine how the needs of LEP persons have been addressed;
- Determine the current LEP population in the service area and whether the need for translation services has changed;
- Determine whether local language assistance programs have been effective and sufficient to meet the need;
- Determine whether the transit system's financial resources are sufficient to fund language assistance resources needed;
- Determine whether LAVTA and its operations providers (e.g. drivers, dispatchers) have fully complied with the goals of this LEP Plan;
- Determine whether complaints have been received concerning the agency's failure to meet the needs of LEP individuals;
- Obtain input from customers and the general community via LAVTA's Market Segmentation Study, which is conducted every 3 years;
- Obtain rider demographic information from on-board surveys as they are conducted (no less than every 5 years).

### ***Dissemination of the LAVTA LEP Plan***

The LAVTA LEP Plan will be disseminated to customers and the community as follows:

- A link to the LAVTA LEP Plan and the Title VI Program will be included on the LAVTA website, [www.wheelsbus.com](http://www.wheelsbus.com).
- LAVTA's LEP Plan will also be shared with human service organizations in LAVTA's service area.
- Any person or agency with internet access will be able to access and download the plan from the LAVTA website. Alternatively, any person or agency may request a copy of the plan via telephone, fax, mail, or in person, and will be provided a copy of the plan at no cost. LEP individuals may request copies of the plan in translation which LAVTA will provide, if feasible.
