Approved: Haubert/Brown
Aye: Brown, Haubert, Spedowfski
No: None
Abstain: None

6. Shared Autonomous Vehicle Pilot Project Update

Staff provided the Projects and Services Committee a brief Shared Autonomous Vehicle (SAV) Pilot Project update. Staff informed that on-site testing of the SAV is not likely for November although AAA is still working towards that goal. A new challenge for this project is signage installation and digital mapping. LAVTA is also talking to other interested parties that operate autonomous vehicles to see if there is a better partner to assist with this project. TransDev approached LAVTA regarding our SAV project, since they are doing mobility labs, mass services, and

autonomous vehicles.

The item was discussed by the Projects and Services Committee.

The Projects and Services Committee recommend that staff work on terminating LAVTA's contract with AAA and provide the Board of Directors partnership options and how to move forward.

This was informational only.

7. Executive Director's Report

Board Chair Steven Spedowski asked for public comment on this agenda item.

Robert S. Allen

Robert Allen requested for south bound buses to stop and pick-up passengers at the stop sign by the fare gates at BART. Robert Allen also would like LAVTA to consider enlarging Park-n-Ride to 500 spaces and have a freeway express shuttle bus from here connecting with every train.

Executive Director Michael Tree provided the Projects and Services Committee the Executive Director's Report. Executive Director Michael Tree announced that ridership numbers in October increased. It was noted that November may be a difficult month for ridership, due to air quality issues and rain. Executive Director Michael Tree thanked Tony McCaulay and Jonathan Stekete for collecting donations at the Food Drive. Executive Director Michael Tree also informed the committee on the SAV project and the Regional Rail Authority. Two consultants for the Rail Authority will work at LAVTA. MTC provided enough funding to assist with getting consultants situated in our Administrative Office. The proposal is to convert the Board Room into temporary offices for one year.

Board Chair Steven Spedowski stated that LAVTA could rotate Board of Director and Committee meetings between the cities, if needed. Executive Director Michael Tree informed that there may be enough room to have Committee meetings at LAVTA, but Board of Director meetings may require relocation off-site.

This was informational only.

8. Preview of Upcoming P&S Committee Agenda Items

9. Matters Initiated by Committee Members

None.

10. Next Meeting Date is Scheduled for: December 24, 2018

The Projects and Services meeting on December 24, 2018 will be canceled, so the next meeting is on January 28, 2018.

11. Adjourn

Meeting adjourned at 4:30pm.

AGENDA

ITEM 5

EXECUTIVE DIRECTOR'S REPORT

January 2019

Fixed Route Performance

December 2018 the average weekday ridership was 5,939, up 9% over December of 2017.

Annual CHP Inspection

The third week of January the CHP inspected the Wheels bus fleet, maintenance and operator records. The result was a rating of Satisfactory, which is their highest rating available.

Transportation Research Board

Jonathan Steketee, our contract manager for Authority, presented the Go Dublin project to a packed session at the TRB Conference in Washington DC on January 13th. Interestingly, the bulk of the questions during the session were in regard to implementation and performance of the project.

Implementation of Fare Study

As planned, fare changes were implemented on January 1, 2019. Since the implementation staff has seen a sharp rise in the number of students and seniors obtaining a Clipper Card as Fare Buster coupons are no longer available for sale. This is a positive change and will increase boarding times and decrease fraud on the system.

Four APTA AdWheel Awards for LAVTA

Staff received notification this week from APTA that the Authority won advertising awards

- Better Way to BART Radio ads – Electronic Media
- Art Shelter Program - 2018 edition "California Dreamin" – Educational Partnership
- Autonomous Vehicle Kickoff Event – Special Event
- Las Positas College Student Pass Program – Funding Needs Partnership

The first place awards will be handed out in New Orleans in February. This also means we are in the running for the three Grand Prizes that will be awarded in New York in October.

Additional Updates

At the January 2019 Project and Services Committee meeting staff will also provide verbal updates regarding the shared autonomous vehicle project, the Dublin Parking Garage and Network Integration Study, the Valley Link Project, and an upcoming amendment to the MTM Paratransit contract.
