This correspondence constitutes official record of the first alteration of an “Invitation for Bids for LAVTA Pleasanton BRT Corridor Enhancement Project #2019-08” issued on December 10, 2019.

This Addendum amends the documents referenced above as follows:

Amend **Notice to Proposers** to read, “Bidders bidding as the prime Contractor shall possess a valid California State Class **A or B** Contractor’s License at the time of Contract award and throughout the Contract term.”

Amend **Special Provision 4, Qualification of Bidders, Page SP-1, Paragraph C**, as follows (changes underlined in **bold**): “BIDDERS MUST POSSESS A VALID CLASS **A OR B** CONTRACTOR’S LICENSE and shall maintain said license during the entire term of the Contract. Other than those specifically listed above, no other sections, terms, or conditions of the above-cited solicitation are being altered at this time. All other sections, conditions, and language not specifically cited as altered in this document are still in full and original effect.
