

How Do I Get Reimbursed And How Much Is The Reimbursement?

Wheels processes reimbursements every other week. For your convenience, we recommend that you send in several receipts at once, depending on how often you ride with taxis. To receive reimbursement, you need to fill out and send in Taxi Reimbursement Request Form along with your receipts. The form asks you to fill out the following information:

- Date and Time of the Trip
- Origin and Destination - address and type of place (home, drug store, etc.)
- Taxi company or Transit Network Company (TNC) name
- Satisfaction rating for your ride (options are Very Good, Good, Fair, Not Good, and Poor). The participating taxi companies have agreed to use taxi meters, charge the metered fare (extra fees for wheelchairs), issue taxi receipts per request, be on time (pick-up within 45 minutes of the trip request or within 10 minutes of a pre-scheduled trip) have clean cabs and deliver excellent customer service.
