**Action Required**

Staff requests that the Board of Directors adopt resolution 21-2022 declaring that agency meetings will continue to meet via teleconference to ensure the health and safety of the public.

**Background**

On March 4, 2020, Governor Newsom declared a State of Emergency to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the State prepare for a broader spread of COVID-19. On March 17, 2020, in response to the COVID-19 pandemic, Governor Newsom issued Executive Order N-29-20, which suspended certain provisions of the Ralph M. Brown Act in order to allow local legislative bodies to conduct meetings electronically without a physical meeting place.

On June 11, 2021, Governor Newsom issued Executive Order N-08-21, which among other things, rescinded his prior Executive Order N-29-20, effective October 1, 2021. At that point, agencies would have transitioned back to public meetings held in full compliance with the preexisting Brown Act teleconference rules. Since the Governor issued Executive Order N-08-21, the Delta variant has emerged, causing a spike in cases throughout the state. As a result, the Governor's proclaimed State of Emergency remains in effect, and state officials, including the California Department of Public Health and the Department of Industrial Relations, have imposed or recommended measures to promote social distancing.

On September 16, 2021, Governor signed Assembly Bill (AB) 361 into law, effective October 1, 2021, to allow agencies to use teleconferencing for public meetings during proclaimed state of emergencies without requiring the teleconference locations to be accessible to the public or a quorum of the members of the legislative body of the agency to participate from locations within the boundaries of the agency's jurisdiction. AB 361 will sunset on January 31, 2024.

Under AB 361, a local agency will be allowed to meet remotely without complying with prior Brown Act teleconference requirements when:

- The local agency holds a meeting during a state of emergency declared by the Governor, and either
  - State or local health officials have imposed or recommended measures to promote social distancing, or
  - The legislative body finds that meeting in person would present imminent risks to the health or safety of attendees.

As discussed above, state officials continue to recommend social distancing. Therefore, LAVTA can continue to conduct meetings via teleconference, as long as it meets the following emergency requirements under Government Code Section 54953(e)(2), added by AB 361:

1. The legislative body gives notice and posts agendas as otherwise required by the Brown Act, including directions for how the public can access the meeting.
2. The legislative body does not take formal action on any item whenever there is a disruption in the meeting broadcast.
3. The public is allowed to provide comment in real time.
4. The legislative body allows time during a public comment period for members of the public to register with any internet website required to submit public comment.

For upcoming teleconference meetings, LAVTA can continue to follow the AB 361 requirements by declaring every 30 days that it has reconsidered the circumstances of the state of emergency and either (1) the state of emergency continues to directly impact the ability of the members to meet safely in person, or (2) state or local officials continue to impose or recommend measures to promote social distancing.

**Recommendation**

Staff recommends that the Board of Directors adopt Resolution 21-2022 declaring that LAVTA meetings will continue to be held via teleconference.
