

STAFF REPORT

SUBJECT: Resolution Authorizing the Filing of Applications for Federal Funds for Fiscal Year 2025 with the Metropolitan Transportation Commission

FROM: Jennifer Yeamans, Senior Grants & Management Specialist

DATE: January 6, 2025

Action Requested

It is requested that the Board of Directors approve Resolution 01-2025 authorizing the filing of an application for FTA formula program and Surface Transportation Programs funding for the Atlantis Facility and ADA paratransit operating assistance projects by the Livermore Amador Valley Transit Authority for capital and operating funds for Fiscal Year 2025 and committing the necessary local match for the projects and stating the assurance of the Livermore Amador Valley Transit Authority to complete the projects.

Background

The Metropolitan Transportation Commission (MTC) and Federal Transit Administration (FTA) require submission of capital programs spanning a 10-year horizon. LAVTA develops our Short-Range Transit Plan (SRTP) and updates it every four years. It is from this information that MTC develops the region-wide Transit Capital Priorities (TCP) program. A requirement of the funding application to the TCP for federal formula and Surface Transportation Program funding is the adoption of a resolution by the local agency governing body supporting the capital and operating program on an annual basis.

Discussion

LAVTA adopted its most recent 10-year capital plan supported by the analysis of our capital and operating plan with LAVTA's FY22-FY27 SRTP. LAVTA's capital needs require federal funds. Fiscal year 2025 federal formula funds will be used to support the Atlantis facility needs as further described in the agency's FY24-25 capital budget.

LAVTA is also requesting ADA paratransit operating funds based on MTC's 10 percent set-aside formula, which provides LAVTA with 10 percent of the federal 5307 Urbanized Area funds for our service area in the form of ADA paratransit operating revenues.

Fiscal Impact

The operations subsidy funds shown below (ADA Paratransit Operating Assistance) are revenue positive to the agency as they support existing services.

Funding Source: FTA

Budgeted: Yes

Amount: Tables Shown Below

FY	Project Name	Federal Amount	Local Match	Project Total

Recommendation

Staff recommends that the Board of Directors approve Resolution 01-2025 authorizing the filing of an application for FTA formula program and Surface Transportation Programs funding for the Atlantis Facility and ADA paratransit operating assistance by the Livermore Amador Valley Transit Authority for capital and operating funds for Fiscal Year 2025 and committing the necessary local match for the projects and stating the assurance of the Livermore Amador Valley Transit Authority to complete the projects.
