

STAFF REPORT

SUBJECT: Approval of Purchase of Eight (8) Genfare Fareboxes

FROM: David Massa, Manager of Capital Projects

DATE: May 26, 2026

Action Requested

Staff request that the Finance and Administration Committee recommend the Board of Directors approve Resolution 19-2026, authorizing the Executive Director to execute a purchase order for eight (8) Genfare FastFare fareboxes and associated equipment for the upcoming 2027 bus build for \$163,735.39 plus a 10% contingency, for a total not-to-exceed amount of \$180,108.93.

Background

As part of the upcoming purchase of eight diesel-hybrid fixed route buses, new fareboxes and supporting components are required for the new vehicles. Typically, fareboxes are included with the bus build from the manufacturer; however, LAVTA has grant funding that can be used specifically for the fareboxes and staff intend to purchase them separately from the buses.

LAVTA's Genfare FastFare fareboxes (often referred to as GFI) operate within an integrated system of specialized hardware and software that supports fare collection, data retrieval, secure transmission, and systemwide reconciliation. This system includes the farebox itself, the probe equipment, the stationary vault system, the server infrastructure, and the software suite used to monitor, manage, and report all fare-collection activity.

Genfare is the sole provider of FastFare fareboxes and the proprietary hardware and software required to maintain compatibility with LAVTA's existing fare-collection system. For this reason, the procurement is being conducted as a single source purchase.

Discussion

Staff recommend a single source procurement for the FastFare fareboxes to maintain consistency across LAVTA's fleet and ensure compatibility with the agency's existing fare-collection system. This approach is allowable under FTA third-party contracting guidance, and staff's cost analysis confirms that Genfare's pricing for the fareboxes and required interfaces is fair and reasonable.

Genfare is the sole manufacturer of FastFare fareboxes and the proprietary components needed to integrate with LAVTA's current fare-collection infrastructure. Early procurement is necessary due to a 12-week manufacturing lead time, and a vendor-announced price increase

effective July 1. Ordering now ensures timely availability for installation on the new buses and avoids higher future costs.

Upon delivery, the fareboxes will be stored at LAVTA until the new vehicles arrive in 2027. Installation will be performed by MV Transportation, consistent with previous fleet builds, at no additional cost to the agency. This procurement maintains continuity of LAVTA's fare-collection system and ensures ongoing compatibility with agency-owned equipment and software.

Fiscal Impact

The total cost for eight Genfare FastFare fareboxes and associated equipment is \$163,735.39; a quote is included as Attachment 1. Funding for this purchase consists of 20% TDA funds and 80% FTA 5307 funds. These funds were included in the FY 2026 budget and have been carried over into the FY 2027 budget. No additional local funds are required.

Next Steps

Upon Board approval, staff will issue a purchase order to Genfare to initiate manufacturing. Once delivered, the fareboxes will be stored at LAVTA until the new buses arrive. Staff will then coordinate installation during the vehicle acceptance process.

Recommendation

Staff recommend that the Finance and Administration Committee recommend the Board approve Resolution 19-2026, authorizing the Executive Director to execute a purchase order for eight (8) Genfare FastFare fareboxes and associated equipment for the upcoming 2027 bus build for \$163,735.39 plus a 10% contingency, for a total not-to-exceed amount of \$180,108.93.

GENFARE STANDARD TERMS AND CONDITIONS OF SALE

1. GENERAL. Unless otherwise agreed in writing by Genfare, the Quotation, these Terms and Conditions of Sale (including the attached Warranty), the Order Acknowledgment (if issued) and the Software License (for any licensed Software), constitute the entire agreement between Genfare and Customer (the "Agreement") and are the exclusive terms and conditions governing the underlying order and shall apply in precedence over any such other terms and conditions, or otherwise under any applicable law. The Software is licensed to Customer under the Genfare Software License in effect at the time of purchase of such Software. Genfare's Services Agreement shall be the sole document governing any Software subscriptions purchased by Customer from Genfare. ANY ADDITIONAL OR INCONSISTENT TERMS OR CONDITIONS CONTAINED IN ANY PURCHASE ORDER OR OTHER DOCUMENT OF CUSTOMER ARE OBJECTED TO BY GENFARE AND SHALL NOT BE EFFECTIVE OR BINDING AS TO GENFARE UNLESS AGREED TO IN A WRITING SIGNED BY AN AUTHORIZED REPRESENTATIVE OF GENFARE. Genfare shall sell to Customer, and Customer shall purchase from Genfare, the equipment identified in the Quotation (the "Equipment") and a license to certain software identified in the Quotation or embedded in the Equipment (the "Software") in accordance with the Agreement (the Equipment and Software collectively referred to as the "Products"). Genfare accepts Customer's purchase orders for Products and agrees to deliver the Products to Customer only on the terms of the Agreement. Genfare's acceptance of Customer's purchase order is expressly made conditional on Customer's assent to the Agreement. No variation of the Agreement shall be binding unless agreed to in writing by authorized representatives of Genfare and Customer. The following provisions of these Terms and Conditions of Sale shall survive termination of the Agreement for whatever reason: Sections 1, 3, 6, 7, 8, 9, 11, 12, 15 and 16.

2. SHIPPING & INSURANCE Genfare shall arrange shipping and insurance and shall bill Customer for the Products with the shipping and insurance costs as separate items, on an invoice ("Invoice"). Subject to other provisions of the Agreement, Genfare shall ship the Products to Customer on the agreed upon Shipping Date.

3. TERMS OF PAYMENT. Genfare may require certain payments to be made prior to delivery of Products or other services. Notwithstanding the preceding sentence, Customer shall pay for all Products, fees, shipping, insurance, and where agreed, all duties and taxes net 30 days from date of Invoice. However, if the parties have agreed that the Products are to be installed by Genfare, Customer shall pay 90% of the total cost of each Product upon shipping of the Product and 10% upon installation of the Product. All services are invoiced at 100%. If Customer fails to pay any Invoice when due, Genfare may, without prejudice to any other remedy, postpone shipments, alter payment terms, terminate the Agreement and charge interest on all overdue amounts at the rate of 1.5% per month compounded monthly (or if less, the maximum rate allowed by law). Upon demand, Customer shall pay all such interest charges and all reasonable collection fees, including reasonable legal expenses.

4. TRANSFER OF TITLE AND RISK OF LOSS; DELIVERY. All products will be shipped FOB Destination. Risk of loss and title to all Products shall pass to Customer, free of encumbrances, at the time of delivery to Customer's destination. Genfare will endeavor to meet any estimated or firm delivery dates requested by Customer, but shall not be liable in damages or otherwise, nor shall Customer be relieved of performance under the Agreement, because of failure to meet them.

5. CHANGES TO SPECIFICATIONS. Genfare may, without notice to Customer, make changes to the specifications of the Products which do not materially affect the quality or performance of the Products.

6. ACCEPTANCE, RETURNS AND EXCHANGES. The Products and services shall be deemed accepted, and any attempt by Customer to reject an order or shipment of Products shall be waived and not enforceable, unless: (i) Customer has promptly inspected the Products and services, and written notice from Customer of any defect has been received by Genfare within thirty (30) days following any delivery of Products or performance of services. The return of defective Products is covered by the Warranty as described in Attachment A.

Return/Exchange Procedures. Customer may only return a Product which is not defective if: (a) the Product does not correspond to the Products ordered in the Agreement (a "Return"), or (b) the Product has been ordered in error by the Customer and Genfare has granted written permission to Customer to remedy its mistake by ordering the correct equipment or software and returning the Product (an "Exchange"). The party liable for all shipping, insurance and any other expenses incurred by Customer in returning the Product pursuant to the preceding sentence and for all loss or damage to the Product until received by Genfare, shall be Genfare for Returns and Customer for Exchanges. If Customer returns the Product in accordance with these Procedures in an undamaged condition, in the original configuration and, where appropriate, in the original packing, before the later of: (i) 21 days after the date of the Invoice for that Product; and (ii) the date of substantial completion of installation of the Product by Genfare, Genfare shall: (A) for Returns, issue a credit to Customer for the full Invoice price of the returned Product; or (B) for Exchanges, issue a credit to Customer for the full Invoice price of the returned Product less: (I) a restocking fee of 25% of the Invoice price; and (II) the original shipping and insurance cost as shown on the Invoice. If Customer does not comply with the Procedures in this Section for Returns and Exchanges, Customer shall pay the full amount of the Invoice.

7. CUSTOMER POSTPONEMENT OF SCHEDULED SHIPPING DATE. If Genfare receives a request from Customer to delay the Shipping Date (a) 30 days or more prior to the Shipping Date, Genfare may postpone the Shipping Date and may charge Customer 2% of the net Agreement total for each full or partial month the Shipping Date is delayed or (b) less than 30 days prior to the Shipping Date, Genfare may treat the Agreement as canceled and may bill Customer in accordance with the provisions of Section 8.

8. CANCELLATION. If Customer cancels an Agreement before the Shipping Date, Genfare may charge Customer a cancellation charge calculated by multiplying the following applicable percentage by the Agreement total (as shown on the Quotation/Order Acknowledgment): (a) if cancelled 40 business days or more before Shipping Date, the applicable percentage is 25%, and (b) if cancelled 39 business days or less before Shipping Date, the applicable percentage is 50%. In addition to the applicable percentage charge, if Customer cancels all or part of the order without cause, Customer will reimburse Genfare for (i) Genfare's expenses incurred to fulfill the order through the cancellation date, including, without limitation, materials and labor. If Customer's order includes special order Products or vendor Products, Genfare may also charge, in addition to the other amounts set forth in this Section 8, (A) for special order Products, 100% of the amount shown on the Quotation/Order Acknowledgment for that Product; and (B) for vendor Products, the lesser of 100% of the cost to Genfare of vendor Product; or, if the vendor accepts the return of its Product the restocking charge levied by the vendor. Customer shall pay all cancellation charges within 30 days of receipt of Invoice.

9. FORCE MAJEURE. To the extent that either party is not able to perform an obligation under this Agreement due to fire, flood, acts of God, severe weather conditions, strikes or labor disputes, war or other violence, acts of terrorism, any law or order of any governmental agency, or other cause beyond that party's reasonable control ("Force Majeure"), that party may be excused from such performance so long as such party provides the other party with prompt written notice describing the condition and takes reasonable steps to avoid or remove such causes of nonperformance and promptly continues performance whenever and to the extent such causes are removed.

10. INSTALLATION. If installation is purchased, Customer shall complete all of the action necessary to prepare Customer's premises for the installation of Products prior to the scheduled installation date. If Customer complies with the preceding sentence, Genfare's authorized technicians shall commence the installation of Products on the scheduled installation date. Genfare may invoice Customer for an amount in addition to the installation charge specified on the Quotation/Order Acknowledgment if Genfare incurs additional installation costs as a result of Customer's failure to have the site, other manufacturers' equipment or Products ready for Genfare's technicians on the scheduled installation date.

11. WARRANTY. All Products are covered by Genfare's Standard Warranty as described in Attachment A attached hereto and incorporated herein.

12. WAIVER OF CONSEQUENTIAL DAMAGES; LIMITATION OF LIABILITY. Notwithstanding anything in this Agreement to the contrary, to the fullest extent permitted by applicable law, Genfare will not be liable for damages related to any business interruption or loss of profit, increased operating costs, anticipated savings, data, contract, goodwill or the like or for incidental, special, indirect or consequential damages of any nature under any theory of relief, including, without limitation, breach of warranty, breach of contract, tort (including negligence), and strict liability, arising out of or related to Seller's acts or omissions. Under no circumstances shall Genfare's liability to Customer exceed the contract price for the specific goods and services upon which such liability is based. Any action for breach of contract or otherwise must be commenced within one (1) year after the cause of action has accrued.

13. INDEMNIFICATION. Genfare agrees to indemnify and hold harmless Customer, its elected and appointed officers and employees, from and against any and all claims, demands, defense costs, liability or damages brought by third parties and to the extent arising solely from: (a) personal injury or property damage resulting directly from Genfare's (or Genfare's subcontractors, if any), negligent acts, errors or omissions or willful misconduct or (b) any actual infringement by Genfare of a patent, trademark, copyright, trade secret or other intellectual or proprietary rights regarding the Products (except to the extent resulting from Customer's combination of Genfare's products with other products or services not provided by Genfare). Notwithstanding the foregoing, there shall be no indemnification hereunder by Genfare as to any losses caused by the negligence or fault of Customer or any of its officers, employees or agents. If Customer shall claim indemnification hereunder, Customer shall notify Genfare in writing of the basis for such claim or demand setting forth the nature of the claim or demand in reasonable detail. Genfare agrees to assume the defense of any such claim and to defend the same at Genfare's expense. The parties agree to reasonably cooperate with each other on any such claims. If the Customer desires to participate in the defense, then Customer shall have the right to do so through counsel of its own choosing, provided that Customer will be responsible for all of its costs in so doing.

14. INSURANCE. Genfare shall maintain insurance coverage consistent with its existing programs but shall not name Customer as an additional insured nor will Genfare or its insurers be obligated to waive any rights of subrogation Genfare or such insurers may have against Customer or its affiliates. Genfare shall use commercially reasonable efforts to provide Customer with written notice of cancellation of any applicable policy thirty (30) days prior to the effective cancellation date of such policy, but failure to do so shall impose no obligation or liability upon Genfare or its insurers, agents or representatives. Genfare shall provide Customer with its standard certificate of insurance upon request.

15. NOTICE. All requests, instructions and notices from one party to the other must be in writing and may be given via registered post or facsimile transmission to the address of the parties shown on the Quotation/Order Acknowledgment.

16. MISCELLANEOUS. No waiver by Genfare of any breach of this Agreement shall be considered as a waiver of any subsequent breach of the same or any other provision. Any provision of the Agreement which is, or is deemed to be, unenforceable in any jurisdiction shall be severable from the Agreement in that jurisdiction without in any way invalidating the remaining provisions of the Agreement, and that unenforceability shall not make that provision unenforceable in any other jurisdiction. The rights which accrue to Genfare by virtue of the Agreement shall endure for the benefit of and be binding upon the successors and assigns of Genfare. The Agreement shall be governed by the laws of the State of Illinois, however Genfare may enforce the provisions of the Agreement in accordance with the laws of the jurisdiction in which the Products are situated. The United Nations Convention on the Sale of Goods (the Vienna Convention) shall not apply to the Agreement.
